**COMPANY  
INTRODUCTION**

CF CHILLER - Industrial water chillers & heat pumps

## CF CHILLER - Our mission:

CF CHILLER was born in 2010 from a consolidated experience in the refrigeration and air-conditioning field.

Our company manufactures industrial water chillers and heat pumps offering high quality products in Italy. Moreover, CF CHILLER supplies its customers worldwide and establishes long-lasting collaborations among people all around the world.

We offer a wide range of water chillers and heat pumps, which consists of main brand components to guarantee great quality and reliability. Indeed, every unit is internally fully tested by our expert technicians.

CF CHILLER's products are suitable to a large assortment of process applications thanks to the great temperature regulation achieved by our chillers.

The versatility of CF CHILLER's products is proven by the fact that the 90% of our clients buys our chillers from the stock, as there is no need of modifications to respond to the different applications requirements. Despite our willing of having chillers available at stock to guarantee faster deliveries, our CF sales team and technical office are always ready to welcome our clients specific requests and to study customised solutions for special plant needs.

## CF CHILLER - Products

### WATER COOLING CHILLERS

Range	Description
ZME	1 – 3 kW Ultra compact chillers, small cooling capacity
ZCM	2 – 7 kW Compact chiller for cooling process stainless steel tank
ZCE	7,5 – 25,5 kW Economic line with plastic tank for open circuit
ZCF	7 – 581 kW Air cooled chiller, TOP QUALITY
ZHF	20 – 150 kW Heat pumps for process cooling application
ZCF MC	7 – 200 kW Units without evaporator
ZCX	9 – 569 kW Coaxial / Shell & tube evaporator inside water tank
ZCV	290 – 680 kW Units with screw compressor

### RENTAL CHILLERS

Range	Description
ZCF Re	7 – 581 kW Air cooled chiller

### OIL COOLING CHILLERS

Range	Description
ZCM-O	1,5 – 4 kW Air cooled chiller
ZCF-O	6 – 12 kW Air cooled chiller

### COOLERS and CUSTOMIZED SOLUTIONS

Range	Description
REMOTE CONDENSER	Several models depending on thermal dissipation
DRY COOLER	Several models depending on thermal dissipation
CF-SKID	Flexible solution for your hydraulic cooling process plant

## Process applications

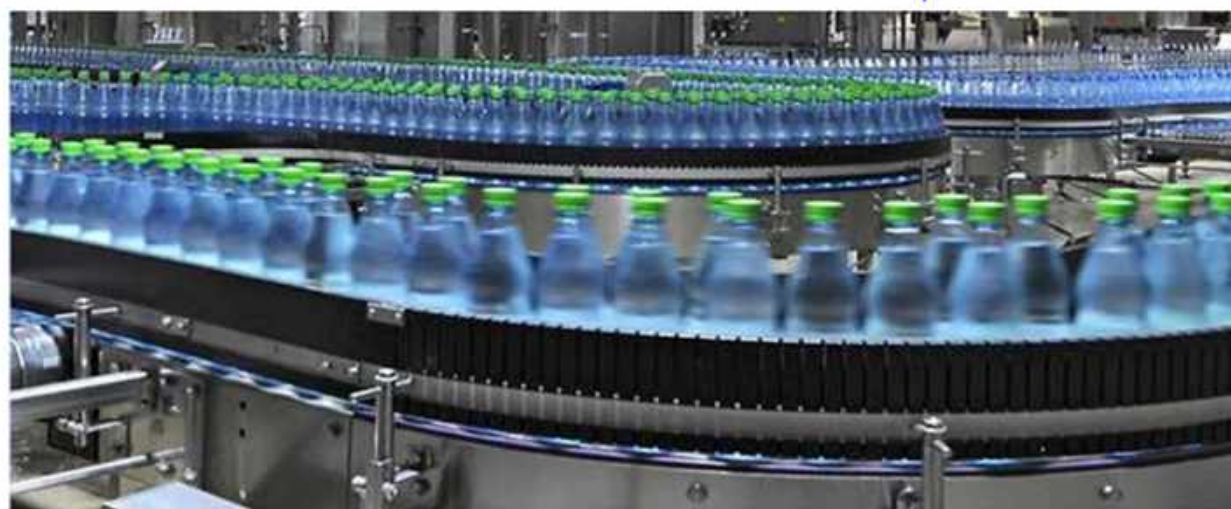

### HIGH QUALITY

#### FOOD & TASTE INDUSTRY

Baking industry  
Chocolate machinery  
Pasta and pastry machinery  
& many more....

Water production and packaging system  
Milk and derivates  
Juice and energy drinks  
& many more...

#### BEVERAGE & PACKAGING INDUSTRY

For more information  
Send us an email at [info@chiller-frigoriferi.it](mailto:info@chiller-frigoriferi.it)

# Process applications

### WINE & AGRICOLTURE

Wineries  
Cereals processing industries  
Animal feed industries  
& many more...

MADE IN ITALY

CF CHILLER FRIGORIFERI srl

Breweries  
Brew plant  
brewing and distilling process

BEER

Call our sales office  
at our phone number +390498792774

## Process applications

**Fully tested unit  
with PED  
compliance**

PLASTIC & PLASTIC  
RECYCLING INDUSTRY  
Injection moulding machinery  
Hot forming  
Extruders  
Recycling plant

Rubber processing  
shaping  
curving  
recycling plant  
RUBBER INDUSTRY

For more information  
Send us an email at [info@chiller-frigoriferi.it](mailto:info@chiller-frigoriferi.it)

# Process applications

### PRINTING & PAPER INDUSTRY

- Printing machines
- Paper machineries
- Inkjet
- & many more...

- Gold & metals processing
- Finishing machines
- Galvanizing plant
- & many more....

### METALLURGICAL INDUSTRY

Call our sales office  
at our phone number +390498792774

## Process applications

**GREAT  
RELIABILITY**

PHARMA & CHEMICAL  
INDUSTRY

Chiller for tests purpose  
Cosmetic production  
Packaging machinery  
Laboratory

Chiller for biogas plant  
Oil industry  
Heat exchangers  
Gas treatment

OIL & GAS

For more information  
Send us an email at [info@chiller-frigoriferi.it](mailto:info@chiller-frigoriferi.it)

## Process applications

### AUTOMOTIVE

- Cooling of machine tools
- Cooling of mechanical components
- Molding machines
- Painting baths.....

- Hotels
- Offices
- Shopping centers
- & many more...
- AIR CONDITIONING
- & COMFORT

**TOP QUALITY**

Call our sales office  
at our phone number +390498792774

## Rental solutions

RENTAL - HIRING  
Chiller for rental purpose  
Testing chillers  
Weekly rental
